SUMMER CAMP 2018

SPAIN SOCCER CAMP

Real Madrid Campus Experience

The Campus Experience of the Real Madrid Foundation is an opportunity that the Real Madrid Foundation offers to both boys and girls aged between 9 and 17 years of age, with the aim of allowing them to experience an alternative and positive form of sport and training, a values-based education, by means of combining sports and learning. Campus Experience has a diverse program of recreational activities that are always aligned to the values of Real Madrid, with the objective of educating children based upon the five ethical pillars of the club: team work, leadership, respect for others, autonomy and hard work.

REAL MADRID SPORTS CITY VALDEBEBAS

Real Madrid Sports City has an extension of 1.200.000 m²., being 10 times bigger than former Sports City, 40 times bigger than Santiago Bernabéu. It has 12 football pitches, both natural and artificial grass, changing rooms, medical center and cafeteria. All program take place in first class facilities and is assisted by a team with highly qualified professionals.

ERASMO RESIDENCE – CANTOBLANCO

The participants will reside in accommodation that meet the required high standards of the Real Madrid brand. The University Residence of Erasmo, located in Autonomous University of Madrid, has TV and DVD rooms, study rooms, canteen – cafeteria and nighttime surveillance. All rooms have bathrooms, phones, heating, Internet Access and satellite television. The interns' accommodation program includes breakfast, break time snacks at noon, lunch, afternoon snacks and dinner. All of the meals will be overseen by a dietician so that the students can replenish the loss of energy accounted for by active exercise during the camp, making sure they receive the necessary amount of proteins, vitamins, carbohydrates and fats.
